TRANSLATORS' NOTE

All references are by pages in this book. A reference in bold figures (123) indicates the page containing a direct quotation from the work referred to. Italic figures (123) mean that a passage or a work is referred to but not quoted. On this page, for example, AMMIANUS MARCELLINUS: *Rerum gestarum libri*, xiv, 6, 169 means that some of Ammian's actual words in xiv, 6 are quoted and translated on page 169. APULEIUS: *Metamorphoses*, viii, 29, 127 means that book viii chapter 29 is referred to on page 127, without being quoted.

A passage which the author mentions or quotes without giving a definite reference is called *unspecified* if we have been unable to trace it.
