## CRIME ARCHIVE

### Burke & Hare

**BURKE & HARE** – notorious killers of the 1820s – stalked the streets of Edinburgh in search of fresh ‘merchandise’ for the doctors’ dissecting tables. This is Scotland’s most gruesome crime.

**CRIME ARCHIVE** reveals the facts using original files, witness statements, confessions, trial reports and illustrations held at The National Archives of Scotland, The National Library of Scotland, The Royal College of Surgeons of Edinburgh and The National Archives.

Alanna Knight’s many books include the acclaimed Inspector Faro series, set in her home town of Edinburgh.
