FACE-TO-FACE WITH MODERN-DAY SLAVERY

E. BENJAMIN SKINNER

FOREWORD BY RICHARD HOLBROOKE

PRAISE FOR **A CRIME SO MONSTROUS**

"Ben Skinner has taken us deep into an underworld few of us have dared to access, never mind to confront. What he finds is heartbreaking—men, women, and children stripped of their identities, their freedom, and their dignity. Reported relentlessly and told grippingly, *A Crime So Monstrous* is the rare book that doesn't simply expose these harms; it also explains how and why decent people inside and outside the U.S. government have averted their gaze, and it showcases those who have devoted their lives to curtailing a shockingly prevalent crime against humanity. Skinner has written an anguishing book, but also an inspiring call to action." —**SAMANTHA POWER**

"Benjamin Skinner's powerful indictment of contemporary slavery must arouse outrage for perpetrators and compassion for their victims." —**ELIE WIESEL**

"In his fierce, bold determination to see the lives of modern-day slaves up close, Benjamin Skinner reminds me of the British abolitionist of two hundred years ago, Zachary Macaulay, who once traveled on a slave ship across the Atlantic, taking notes. Skinner goes everywhere, from border crossings to brothels to bargaining sessions with dealers in human beings, to bring us this vivid, searing account of the wide network of human trafficking and servitude which spans today's globe." —**ADAM HOCHSCHILD**

"A great storyteller, Skinner brings the whole underworld of traffickers and their victims to life. At the same time, he shows how complex the phenomenon really is, and why the solutions of would-be abolitionists in this country have proven misguided or simply futile." —**FRANCES FITZGERALD**

"*A Crime So Monstrous* is a remarkably brave and unflinching piece of reportage and storytelling. E. Benjamin Skinner bears witness, sharing stories so unsettling, so neglected, so chilling they will leave you shaking with anger. This should be required reading for policy makers around the world—and, for that matter, anyone concerned about the human condition." —**ALEX KOTLOWITZ**

"Ben Skinner does a great public service by exposing the massive scope of human trafficking in the world today. I appreciate his chapter on the heroic role Ambassador John Miller played in getting the U.S. government to stand against this evil." —**U.S. SENATOR JOHN McCAIN**

"This book exposes the horrors of modern-day slavery and human trafficking, demanding attention to an issue that has for too long hidden in the shadows. Skinner's narrative takes us many different places around the world, but can lead to only one conclusion: The U.S. must do more to end this suffering." —**U.S. SENATOR RUSS FEINGOLD**
